When do you plan to help this person or family?

Project Guidelines:

We want to empower you to help people in our community by meeting immediate needs in a personal way that might otherwise not be met. Here are the guidelines for these projects:

1. Projects will typically be in the few hundred dollar range.
2. Projects should meet an immediate need resulting from a crisis or setback.
3. The employee will be directly involved in making the necessary arrangements to personally meet this need. Time that you spend on this project will be off the clock unless approved by your supervisor.

Jesus Christ said about helping others:

"I'm telling the solemn truth: Whenever you did one of these things to someone overlooked or ignored, that was me--you did it to me.
